No.3350/53-5
Government of Madras
Public (Elections-I) Department.

Dated, Fort St.George, the 1st September 1953.

Office Memorandum.

Electoral Rolls - Madras Legislative Assembly and House of the People - Annual Revision, 1953 - Preparation of consolidated final electoral rolls Out-turn for section writers.

Ref: From the Collector of Cuddapah, Ref.B1.6412/53, dated 19-8-53.

The Collector of Cuddapah is informed that the out-turn of 750 voters fixed in Government Memo.No. 3350/53-2, Public (Elections), dated 7-8-1953 for section writers engaged on the preparation of the consolidated electoral rolls does not include the work of re-writing Part I - Inclusions - of the list of amendments referred to in sub-para (5)(a) of para 3 of Electoral Rolls (Assembly and Parliamentary)(Annual Revision, 1953) Circular No.4, dated 10-6-1953, for which the usual out-turn of 350 voters should be adopted.

2. The out-turn fixed is in respect of corrections in the original rolls and lists of amendments

p.t.o

Thus each deletion which involves merely the complete scoring out of a voter's name, will be counted as one voter in assessing the out-turn. For a number of voters, only the age entry and serial number will have to be altered besides scoring out the caste entry. The work involved in altering the age entry is very little. For altering the serial number, one has only to follow the sequence of the house numbers in the various parts of the rolls and the re-arrangement of voters in each house. The work involved may not take much time. For some voters in the beginning of the roll for each unit, only the age entry may have to be altered and each of these voters will be counted as one voter in calculating the out-turn. In the circumstances, the Government consider that there is no case for reducing the out-turn for this work fixed by them.
